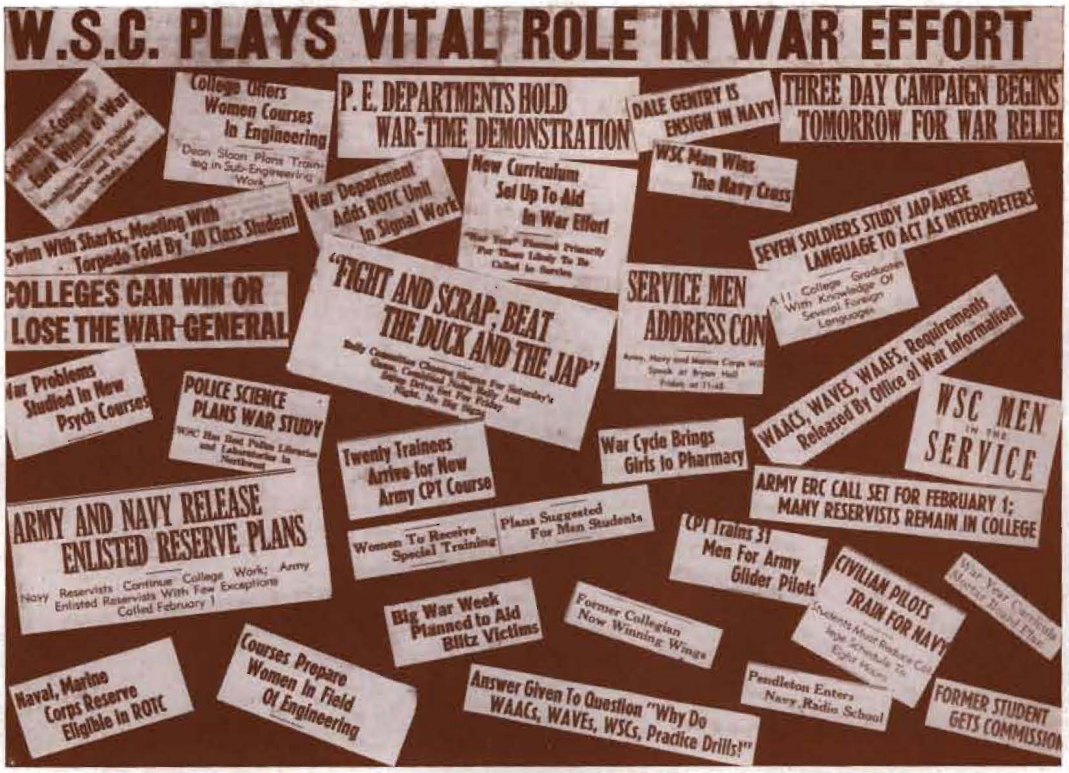
Dedication

This record of the 1942-43 school year at Washington State is dedicated to those men from the Hill who are in the armed forces of our country.

At the beginning of the school year a large percentage of the male students were members of the Enlisted Reserve Corps, the Army Air Corps reserve, the Naval reserves, and the Marine Corps reserve. Approximately twelve hundred men dropped their class work between October and March, and as the Chinook is completed, members of the Air Corps reserve and the Enlisted Reserve are leaving the campus. In addition to these, the Military department of the State college trains nearly one hundred candidates yearly for Officers' Candidate schools. To these may be added the thousands of ex-Washington State students in the service.

It is to all of these men that the War Year Chinook is respectfully dedicated.



Foreword

The War Year Chinook is the record of the first full year of war experienced by the students and faculty of Washington State college. In view of this, the Chinook staff has tried to catch the new aspects of college life which are peculiar to the campus at war as well as record the normal, every-year happenings on the Hill.

It is our sincere hope that we have covered completely both the normal and war-time campus activities for those who will receive their copy of the Chinook in the Ad building and for those who will see it first when it arrives at their military station.

College Administration

PRESIDENT HOLLAND

Experiences of Dr. E. O. Holland in 1916-18 as new president have enabled the State College to appreciate more fully its opportunities to be of service during this war . . . Dr. Holland keeps an active correspondence with a number of Washington State men in the service . . . his interests lie in the promotion of all phases of research work on the campus, and his hobbies are fine arts and the building of a greater College library.

In this great global war fought to maintain liberty for all the peoples of the world, unnumbered heroes, many of them Washington State College men and women, are fighting to maintain these ideals. Many of our graduates are here in America; others are in Northern Africa, Alaska, Hawaii, the Solomon Islands, Australia, China, and other parts of the Far East. Already some of these graduates have made the supreme sacrifice, and all of them have been worthy representatives of the ideals of this splendid institution.

The WSC faculty and students here on the campus today appreciate the battles that are being waged on land and sea and in the air, and all of them are seriously preparing for war services.

The war year curricula offer many opportunities for both men and women to obtain information and develop skills that will enable them, a little later, to participate effectively in our great war effort. I am convinced that Washington State College men and women here on the campus this year will, a little later, add new laurels to the records made by WSC men in the first World War and now being made by graduates and former students—both men and women.

And the preparation the young men and women are receiving today on our campus will enable them not only to contribute definitely to the war effort, but to understand more clearly the basic principles for which we struggle. This better understanding of the complex problems all of us will face when peace comes again will mean added responsibilities and leadership for the men and women of the State College of Washington.

E. O. HOLLAND,
President.

Basic classes, meeting three times each week, emphasized basic military training and body-building exercises including all types of calisthenics and aquatics.

In addition, the Women's Service Corps, the first unit of its kind in the history of the school, learned close order drill, army organization, military courtesy, military legislation, and map reading.

WOMEN'S SERVICE CORP

In an effort to help those girls who may be planning to become a part of the women's division of the armed forces of the nation the Women's Service Corps was organized last fall. During the first semester the experiment proved to be a great success.

This spring those who were active the first semester were given positions as leaders in directing the new recruits.

CHINOOK

EDITOR

Bud Coppers . . . War Year Chinook editor . . . Planned the forty-fourth Washington State annual last summer on an Alaskan salmon trap . . . Makes a hobby of watching Chinook purse strings . . . Fourth year journalism major . . . Plans to send a copy of this volume to the Fall City public library.

PRODUCTION

Cooperation is the word which describes the production of a Chinook. Even before the editor's original layouts are finished other forces are at work to get actual production under way. The art staff of Kingskraft Covers submits possible cover layouts, changes are made, and the manufacture of the covers is begun in the fall.

There are 425 engravings in this book, some of them featuring as many as 80 individual pictures, so photographic work must begin the preceding spring. Written copy presents a major problem which is met through the cooperation of staff members and Journalism classes.

All of this work builds on a plan designed to accurately record the school year for you in the 1943 CHINOOK.

CHINOOK

BUSINESS MANAGER

Dick McWhorter . . . Handled the business end of the Chinook . . . Engineered the most successful sales campaign in the forty-four-year history of the book in the face of war-time handicaps . . . This year's printing totals 2850 . . . Writes prize-winning essays on the side.

BUSINESS ACTIVITIES

Faced with the drastic changes in college enrollment and the advertising market brought about by the war, the business staff shifted its sales strategy and met the situation very successfully. The Chinook tag, formerly only a claim on the part of the holder to a Chinook, became a binding contract to the holder and the Associated Students.

A concentrated advertising sales campaign brought advertising sales to the level of previous years in spite of the general war-time depression in the advertising market.

POWWOW

EDNA M. SIMMONS

THE ALUMNI MAGAZINE

The Powwow, State College alumni magazine, has for many years supplied alumni with news of college activities and of grads and ex-students.

The material for this monthly publication is secured from letters from former students and from newspaper clippings. The material is compiled and edited by Edna M. Simmons.

This year the main theme of the magazine has been "Cougars in the Service." In addition to news of former students in the armed services, it presents a complete coverage of Cougar sports and current campus activities. One column is dedicated to the graduating class of the previous year.

Two issues each year, those at the time of Homecoming and Commencement, are sent to a mailing list of 12,000.

WASHINGTON STATE ENGINEER

The semi-annual Washington State Engineer, edited this year by Wesley Tedrow, is published by the Associated Engineers by authority of the Engineering Council.

The publication contains features, technical articles, and reports on student projects in all departments in the college. Each edition is in charge of a committee from one of the engineering schools.

Supplementary writings by experts from large companies such as General Electric and Westinghouse are reprinted.

WASHINGTON STATE AGRICULTURIST

The Washington State Agriculturist, now in its fourth year, is published twice a year by the All-Ag club.

This biannual publication tells of the activities of the agriculture students, gives results of research at the experiment station, and helpful hints to the farmers. The Agriculturist is supported by its own advertising solicited by the agriculture students.

This unique magazine is sent to the parents of the students, Grangers, FFA chapters and high schools. It was edited this year by Bob Parvin.

"THE RADIO VOICE"

The history of KWSC dates back to 1908 and 1909 when the State College began to work in radio with a creation known as a spark set. The beginning of the station as an instrument of education came in the summer of 1922 in the form of a five-watt experimental station using the call letters KFAE.

Until 1929 the station was operated only four and one-half hours each week, being on the air Monday, Wednesday, and Friday evenings. Broadcasting time and power were gradually increased to the present 77 hours per week on the air with maximum power of 5000 watts; hence, KWSC announcers may now proudly boast "the most powerful educational station in the nation."

STATION MANAGER

Selecting KWSC announcing, engineering, and office staffs, and determining the policies of the station and its programs form a major part of the duties of station manager Kenneth Yeend, '34.

PROGRAM DIRECTOR

Glenn Lorang and Pete Barr, both WSC graduates, have filled the vacancy left by Allen Miller at the position of Production Director. Their task is to see that KWSC programs get on the air on schedule.

KWSC ANNOUNCERS

KWSC speaks to thousands of radio listeners each day, and the voices of its personnel can be heard giving forth with the latest world news or producing any other form of program. And for the enjoyment of early risers the latest swing hits are played by Dick Ross, chief announcer, who conducts the famous "Coffee Pot Parade."

Other outstanding announcers who have had an active part in KWSC's many productions during the past school year are Bob Hayward, Art MacKelvie, Jack Fleming, Phillip Foraker, and Douglas Sarchet. Daphne Nelson, Pat Wright, LeRoy Hale, Warren Durham, and Woody Shemwell have all been associated with the station in the capacity of lab announcers.

KWSC PROGRAMS

Over a period of years an excellent cooperative arrangement has been worked out with the public schools throughout the Inland Empire which makes possible an effective school of the air series of broadcasts. KWSC's emphasis is directed toward programs for grammar schools for this reason. These educational programs include "Land of Make Believe," written by Hazel Mitchell; "The American Heritage"; "Geography Behind the Headlines"; "Let's Sing"; "Builders of the State"; and "What's News."

All of these are in addition to the numerous regular news and sports broadcasts, and musical and variety shows, which include: "College Humor," "Coffee Pot Parade," and others.

KWSC TRANSMITTING

In the little white building across the street from Troy Hall is the unsung crew of electrical engineers that has much to do with the success of KWSC. It is the speech majors at Old Science Hall who get the glory, but without this competent group of engineers their work would be impossible.

This year Sig Turnquist, a senior in electrical engineering, has been in charge of the transmitter. Under the watchful eye of Sig and his six assistants, KWSC's five thousand watts is carried from the studios in the Old Science building across the campus to the transmitting building, and on out to the transmitting tower where KWSC programs "take off" to thousands of listeners throughout the Northwest.

DEBATE

The debate teams, under the direction of William H. Veatch of the Speech Department gave the State College one of its most successful seasons. A brief glance at the 1942-43 records shows that in the ninety contests entered, including debate, extemporaneous speaking, and impromptu speaking, the Washington State speakers won highest honors seventy times.

Personnel of the entire squad includes: Seniors, Kathleen Kelly, Velma Calvin, Sue Hendrickson, John Pierson, Ruth Pearson, and Ruth Lunden; Juniors, George Mooney and Patricia Strauss; Sophomores, Esther Davis, Don Sheahan, Bill Aiken, Betty Fuchs, Phil Conrad, and Ruth Russell; Freshmen, Doris Pierson, Robert Gleason, Herman Gray, Valeria Munson, Janet Miller, June Johnston, Sidella Clinger, Evelyn Whitner, and Bill Dykstera.

DEBATE

The women's teams started in December by winning the Inland Empire tournament at Walla Walla. Later the same month the men started their undefeated season in the Men's Inland Empire Tournament in Pullman. The second victory for the men came at Moscow where they won the Inland Empire Junior College Tournament.

Ten speakers represented Washington State at Lynfield College, Oregon, in the Northwest Forensic Tournament where twenty-five colleges and universities competed. Three titles were won and none of the teams placed lower than third.

The two major questions used throughout the year were: Resolved that the federal government should enact a five per cent consumer sales and service tax; and resolved that the United States should establish a permanent federal union.

DRAMA

There's Always Juliet

Light romance came to the campus November 6 and 7 in the first all-college play of the year, John Van Druten's comedy, "There's Always Juliet," directed by Maynard Lee Daggy.

Humorous, and white with charm, this fast-moving story is of a typical, handsome American who goes to London and falls in love with the beautiful Leonora Perry Coste. After leaving London alone, he returns and marries Leonora, bringing the curtain down on another happy ending.

The stage setting, designed by William Porter, was realistic, and the lighting on the main character especially effective.

The cast: Leonora Perry Coste, Audrienne Albro and Parmalee Brouillard; Florence, Peggy Lugar and Elizabeth Wilsie; Peter, Glenn Jacobsen and Jack Thorington; and Dwight, Dick Ross.

The production staff: William Porter, Roland Adams, Dixie Lou Thompson, Henry Good, Evelyn Teterud, Barbara Fleischman, Marjorie White, Dorothy Elliott, Louise Lichity, Eleanore Baker, Pat Kalkus, Daphne Nelson and Jackson Fleming.

The Night of January 16

With a jury picked at random from the audience, two do-or-die attorneys fought for the freedom or conviction of a girl in "The Night of January 16," presented, oddly enough, January 15 and 16.

The play, written by Anna Reed, marked the state college debut of William Porter, speech instructor, as a director.

Novel idea of the drama was the jury, which sat through the trial and voted on the case, guilty or not guilty. For either decision, a fitting climax had been prepared.

The cast: Karen Andre, Daphne Nelson and Shirley Folsom; District Attorney, Roland Adams; Defense Attorney, Henry Good and Dick Weeks; Nancy Whitfield Faulknor, Marjorie White and Barbara Fleischman; father

DRAMA

Heart of a City

Lesley Storm's play written under the fire of attacking German planes, was presented March 12 and 13, under the direction of William Porter.

Filled with screaming air raid sirens, and the confusion of war, the story is that of a conflict for the hand of a chorus girl between a drunken song-writer and a RAF pilot on leave from the front.

Sound effects used during the play were actual recordings made during the bombing of London at a time when the English people were desperately trying to adjust themselves to destructive bombings by German planes.

The cast: Rosalind, Meriel States; Mrs. Good, Marjorie White; Tommy, Dick Ross; Frenchie, Harriet Rainsberry; Anna, Doris Danakes; Valerie, Audrienne Albro and Eleanor Mackey; Lila, Barbara Fleischman and Parmalee Broulliard; Judy, Elizabeth Wetzel and Pat Kalkus; Paul, George Mooney and Jack Thorington; Joan, Kay Ellsworth and Janet Harrison; Toni, Shirley Folsom and Carolyn Glasmann.

The production staff: Mary Alice McIntosh, Betty Booher, Mildred Swales, Alda Lavagetto, Neil Templin, June Shultz, Ruth Radebaugh, Alson Johnston, Mark Spinning, Betty Jean Gardener, Jackson Fleming, Roland Adams.

HAROLD P. WHEELER

COLLEGE BAND

Throughout the year the all-college band has brought colorful pleasure to students and townspeople. Able director of the group is Harold P. Wheeler, assisted by Gerald Mohr.

The field band added much to the Cougar spirit at the football games.

On January 10 the concert band presented a vesper program, including in its selections Bach's "Toccata and Fugue" in D Minor and the 1812 Overture by Tschaikowsky.

The busy season of this college organization came to a close with an open air concert during commencement week.

SYMPHONY ORCHESTRA

Under the competent leadership of its new director, Glenn Swan, the members of the college orchestra brought enjoyment to music lovers on the campus this year. Three complete concerts were presented during the year.

The musicians were also heard on several half-hour programs from KWSC, and the orchestra assisted at the Christmas vespers and commencement.

Major works performed during the year included: Brahms' Second Symphony, Tschaikowsky's Sixth Symphony, the Rimsky Korsakov "Russian Easter" Overture, and Handel's Concerto Grosso.

PEP BAND

The Pep Band is perhaps the busiest and certainly one of the most popular organizations on the campus year after year. This year the Pep Band furnished the musical entertainment at basketball games, ASSCW convocations, and the Junior Review. Leader Johnny Harris has also taken his outfit to the Spokane Athletic Round Table and various local high schools. More recently the services of the organization have been added to the KWSC show "College Humor" and to the cadets weekly show at Bryan Hall.

CONVOCATIONS

The Tuesday-Thursday fourth period convocations in Bryan Hall have become Washington State institution of long-standing. The absence of regular curricular classes on those hours makes it possible for every student and faculty member to attend.

These convocation hours are used for ASSCW and AWS meetings, variety entertainment, and, more important, the presentation of noted speakers.

HALLETT ABEND

MRS. WESLEY DuBOIS

October 6—The initial convocation of the year featured the pictures of the Stanford-Washington State football game, played in Palo Alto the previous week. The running commentaries by Coach Babe Hollingbery never fail to make these sports pictures extremely popular.

October 20—The national president of the Christian Temperance Union, Mrs. Ida B. Wise Smith, presented to her listeners comments on two very timely topics: child health and the effects of liquor upon the nation.

November 17—Erika Mann, brought to the campus by the AWS, gave listeners vivid over-all account of the world political and military situation as it is today.

November 12—One of the outstanding convocation addresses of the year was that of Charles E. Kirby, widely known lecturer and commentator, who discussed "Japan's Rise to Power."

CONVOCATIONS

Associated Student convocation speakers are brought to the campus through the efforts of the office of the Graduate Manager. It is through this office that financial arrangements are made with the sponsors of the speakers.

The Associated Women Students sponsor one lecturer each year, and the President's office aids in making necessary arrangements.

ERIKA MANN

WILLIAM LUDGATE

December 8—The extent and importance of work on the home front was the topic of Dr. William A. Ludgate.

December 17—A former confidant of Hitler and ex-president of the Danzig Senate, Dr. Herman Rauschning, spoke on "The Secret Aims of National Socialism."

January 14—Mrs. Wesley DuBois, head of the Speakers' Committee for the Spokane County Red Cross, gave an insight to the AWS on "War Work in Your Own Community."

January 19—Coach Jack Friel showed the pictures of the NYU-WSC basketball game, played at Madison Square Garden.

February 16—Dr. William Starr Myers, distinguished authority on national and international affairs, discussed "After the War, What Kind of a Peace."

April 1—The Junior class brought forth campus talent for student and cadet approval in the annual Junior Review.

WAR EFFORT

For the past year the energies and facilities of the State College have been placed completely behind the war effort. Administration and students alike have entered wholeheartedly into all types of home front activities from scrap drives and rolling bandages to providing facilities for the basic training of twelve hundred Air Corps cadets.

Changes in college curricula brought about the inclusion of numerous War Courses. Several hundred Air Corps communications men received their training here before the present group of cadets arrived. By mid-year war effort activity on the campus had grown to such proportions that it required a full-time coordinator. Dean McCreary left his duties as Dean of Men to take that position.

As it has grown thus far war effort activity on this campus will continue to grow until its purpose has been completely achieved.

RUSH WEEK

1. This scene of sunshine and smiles is at the Theta house.
2. Pi Phis (on the floor) tell rushees about it.
3. "Well, Pal . . . "
4. And these are the Kappas, doing the same thing as the Pi Phis and Thetas.
5. ADPi's add a wrinkle which is new up to this point—they meet them at the door.
6. This cozy little meeting was in progress when our man Hutch jimmied his way into the Alpha Chi house.
7. Here we have the Tri Delts breaking down sales resistance.

PALO ALTO . . . SEPT. 26

Showing a great amount of power for early season play, Babe Hollingbery's boys thoroughly trounced the Stanford Indians, 6 to 0, in the season's opener at Palo Alto.

A hard charging line and big fast backs had the vaunted Indians on their heels the whole way. The WSC score came midway in the second quarter when left halfback Jay Stoves tossed a pass to right half Earl Brenneis, who zigzagged his way 20 yards to the goal line.

PULLMAN . . . OCTOBER 3

A snarling Cougar ran over the Oregon Webfeet, 7 to 0, before a small homecoming crowd on Rogers Field. The rugged Hollingbery men cracked the center of the supposedly tough Oregon line repeatedly. Bob Kennedy was unstoppable on line smashes, and it was on one of these plays that he scored the lone touchdown in the second quarter.

Bill Remington and Nick Susoeff were bulwarks in the tough Cougar line which relinquished only one first down. The Cougars played power football, and out-pushed the Oregonians at their own type of ball.

A powerful Cougar eleven swept Montana back by a score of 68 to 16 before a small crowd.

Good blocking, tackling, running and plenty of reserves were too much for the Montanans. Washington State ran up a 20 to 0 score at the end of the first quarter and by the end of the half the score stood 33 to 7. Frank Londos, Bob Kennedy and Frank Akins made several touchdowns apiece. The brilliant Cougar offensive left the crowd breathless as fleet backs made one long run after another.

LOS ANGELES . . . OCTOBER 17

Pulling one of the major upsets of the season, Southern California knocked the league leading Cougars into fourth place in a free scoring ball game.

Washington State scored in the first two minutes of the game on a 50-yard pass. The Trojans tied the score 6-6 by half time and opened up a running attack in the second period that garnered them three more touchdowns. The Cougar running attack clicked only occasionally during the afternoon.

Nick Suseoff, all-Coast end, played a smashing game on the defensive while Bob Kennedy was the big show on the offense.

Cougar stock rose a notch when they came back to swamp Oregon State. Despite bad breaks, Babe's boys showed that they were still a power.

Washington State scored early in the first quarter when Brenneis went 55 yards with a pass from Stoves. Oregon State scored quickly after a sustained drive down the field, and then immediately afterwards scored again on a blocked punt deep in WSC territory.

Kennedy and Stoves passed the Cougars to another touchdown which tied the score at 13-13.

The Cougar offensive began to roll in the second half, scoring two more touchdowns and holding the Beaver helpless.

SPOKANE . . . NOVEMBER 7

Playing their best ball of the year, the Cougars swamped Michigan State. All-American Bob Kennedy ran wild, scoring three touchdowns and passing for the fourth.

Coming from behind, the Cougars ran up a 19-6 half-time score. Out in front of the Pacific Coast Conference at the time, Washington State thoroughly upheld the reputation of Pacific Coast football. Nick Suseoff and Bob Kennedy teamed with the rest of the squad to give the boys from East Lansing a rough afternoon in general.

The Cougars came through with a one-touchdown victory over their cross-the-line rivals, the Idaho Vandals. The Cougar attack went deep into Idaho territory several times in the opening period only to be thrown back by the stubborn Vandals. The touchdown was scored in the second quarter.

SECOND AIR FORCE 6

SPOKANE . . . NOVEMBER 21

Scheduled as a breather, the Second Air Force game turned out to be one of the toughest battles of the season and ended in a 6 to 6 deadlock. The Cougars were up against one of the best service teams in the country. Former WSC stars, Bill Sewell and Bill Holmes, made up a large part of the Second Air Force offense. Bill Remington, ace Cougar center, scored the only touchdown when he fell on a blocked kick.

SEATTLE . . . NOVEMBER 28

Cougar Rose Bowl hopes faded when Washington held them to a scoreless tie.

The combination of a damp field and a red hot bunch of Huskies was too much for the league leading Cougars.

It was a tight contest all afternoon, neither team being able to gain when near the goal line. Both teams tried field goals.

Bill Remington, center, was the big man in the Cougar defense, making a dozen tackles in the first half. Jay Stoves, halfback, handled a great part of the Washington State offense.

The long trip to Texas didn't help the Cougars any, and they went down before the underrated Texas Aggies, 21 to 0, in their wind-up game of the season.

Washington State started out fast in the first quarter with Kennedy and Brenneis stripping off long gains toward scoring territory, but fumbles and a stout Aggie defense prevented any scores. Passes kept the Northerners on the defense most of the afternoon, and gave the Texans their touchdowns.

SEASON'S SUMMARY

Washington State led the Northern Division for the greater part of the season, only to be toppled to third spot on the disastrous road trip to Oregon. Despite the fact that the Cougars played most of their games without the services of one or another of their first string men, they stayed at the top of the heap until late in the season.

Highlight of the season was the brilliant play of junior forward, Gail Bishop, in breaking the Northern Division scoring record.

The loss of Captain Owen Hunt to the Air Corps just before the crucial Oregon road trip may have meant the championship to the Cougars, as they were in first place when he left.

Witt, Sheridan, Bishop, Hunt, and Akins await the opening whistle.

PRE-SEASON GAMES

The high point of the Cougar pre-season schedule was the eighteen-day road trip through the Eastern states during Christmas vacation. After dropping their first three road games, to Creighton 51 to 36, to Temple 40 to 39, and to New York U 66 to 55, the Frielmen finished their remaining three games with plenty of drive. They beat Canisius 60 to 43 at Buffalo, Wayne fell at Detroit 55 to 34 and Bradley Tech was beaten 53 to 38 in the final game of the tour.

Whitman, Gonzaga, Pasco Flyers, and Eastern Washington were Cougar victims early in the season, although Eastern Washington dropped the Cougars in one of their two games.

WASHINGTON SERIES

The league-leading Cougars struggled through a high fouling game to win 41 to 37 in the first Washington game played in Seattle. Washington State went ahead in the first half with a 28 to 17 margin at half-time. The Huskies tied things up at 30 to 30 in the first three minutes of the second period and gave State a scrap for the rest of the game.

Washington State fell hard the second night as they went down before the Huskies, 72 to 34. The winners started with a flurry of baskets and kept widening the score until the final gun.

Struggling for the conference lead, the rivals hit a fast pace in the Pullman series with each team winning a game. The Staters started out strong in the first game running up a ten-point lead at the half, but Washington overcame the lead and won 61 to 52.

Flashing in and out under the basket making set up shots, Al Akins, Cougar guard, led the Frielmen to a 53 to 49 win in the last engagement. WSC sprang into a 14 to 0 lead in the opening minutes, and maintained its lead.

Sheridan and Bishop scramble for the ball with Wiley (9) of Oregon.

OREGON SERIES

Getting off to a slow start the Cougars dropped their first home conference game to the Ducks 49 to 36. The game was close the first half with the lead changing hands several times. After the rest period the Ducks' airtight defense held the Staters scoreless while they dumped in thirteen points.

Still without the services of Captain Hunt, who was out of the lineup the first game with flu, Washington State over-ran the Webfeet 46 to 40 in the second encounter. Witt and Bishop pulled the Cougars out of the hole in the second period with canny shooting, and the Ducks couldn't catch the fast-breaking Staters.

A one-handed push shot by Kirsch, Oregon guard, in the last seconds of play gave the Webfeet a 47 to 45 victory in the initial game at Eugene.

Gail Bishop's 18 points weren't enough to help the Staters the second night, and the Ducks rolled over them again 54 to 39. Minus Captain Hunt, who was called by the Air Corps, the Washington State lads were no match for the sharp-eyed Oregonians.

OREGON STATE SERIES

A fast break bowled over the Oregon State Beavers 44 to 35 in the opening game. Forwards Gail Bishop and Al Akins garnered 17 and 12 points respectively from repeated lay-in shots they made by sneaking through the OSC defense.

The Beavers eked out a 55 to 52 win in the second game. Washington State pulled ahead of the Oregonians late in the second half and from there on in it was a thriller. Not until Bishop had dunked in two baskets in quick succession in the last minute, was the game in the bag.

The Cougars were handed a tough beating by the OSC Beavers in the first game of the Oregon trip. Determined to throw the Washington State team from its top berth in the conference, the Beavers set their sights and pushed in a 51 to 35 win.

Making it two losses in a row against Oregon State, the Cougars lost the second game at Corvallis 43 to 34. Washington State was ahead only once, 5 to 4, early in the game, but brought the count to 34 all in the hectic second half.

Bishop goes up for a lay-in in the middle of a group of Vandals.

IDAHO SERIES

Vandal-Cougar rivalry started out rough as Washington State won 54 to 46 in a heavy fouling game at Moscow. Paced by Bishop's 16 points, the Staters took the lead at the half and held it for the remainder of the game.

WSC put on a second-half drive that swamped Idaho 53 to 33 in the second tilt of the year at Pullman. Cougar power and good reserves were a little more than the Vandals could handle.

Private Gail Bishop, on furlough, played the last two Idaho games. In the second game at Moscow he broke Ray Turner's year-old scoring record and sank a basket in the last minute of play to win the game for State 40 to 39.

Bishop didn't let up a bit in the game at Pullman the next night, as he added 23 more points to his new record. The Cougars ran over the Vandals 63 to 41 in their windup game of the year.

LETTERMEN

Gale Bishop, junior forward, and sensation of the conference, smashed the Northern Division scoring record by 32 points. Playing for Fort Lewis later in the season, Bishop scored 50 points in one game at the National AAU tournament to set a new record.

Scott Witt, one of the outstanding junior players in the league, had a good year at his forward post. He was a dead eye with his one-handed push shot.

Bob Sheridan, husky junior, held his own against all the taller men he came up against in keyhole duels.

Al Akins, junior guard, was acclaimed by all as the fastest player in the conference. He was a constant scoring threat.

Tom O'Neil, junior guard, never failed to score one of his famed long shots from the center of the floor.

Phil Mahan, guard, returned to the Cougar team this year after a year lay-off. A member of the 1941 Western Championship team, he was an excellent ball handler.

Rodney Boalch, junior guard, used his size to great advantage under the backboard.

Arnold Sundquist, junior center, substituted in many games and ably filled the pivot post.

George Davison, fiery guard on the second five, was always the "hustlingest" man on the floor.

Howard Schoeff, forward and stellar relief man, was a good set shot.

"BISH"

Gale Bishop, on army furlough, scored forty points in two games against Idaho and broke the Northern Division scoring record with a season total of 224 points. Racking up a phenomenal fourteen-point game average in conference games, "Bish" broke the scoring mark of Idaho's Ray Turner by thirty-two points.

The Fort Lewis team grabbed him as if he were a long-lost rich uncle and he proved himself by making fifty points in one game at the National AAU tournament, which was a new record for tournament play. Gale continued on his scoring spree and sank 300 points for the army team in ten games. His achievements glowed all the brighter when he was picked on the Helms Foundation All-American team at the end of the season. He still has another year of collegiate competition after the war.

THE SEASON

For the first time in eleven years the Cougar track team failed to win the Northern Division title and had to take a seat behind the University of Washington. The Cougars tripped over Idaho in their first meet of the year, losing by a 79-2/5 to 51-3/5 count. The Staters bounced back from the Idaho loss to outrun the University of Oregon 71 to 60 on Rogers Field. The powerful Washington track was more than a match for the State squad and in spite of double wins by both Pat Haley and Noel Williams of the Cougars, the Huskies won 71 1/3 to 59-2/3.

LETTERMEN

Noel Williams, tireless miler and two-miler, was Coast two-mile champion in his junior year and captain of the team his senior year.

Chuck Niemi was a steady point-getter all through his three years of varsity competition.

Frank Londos, of football fame, took the Northern Division championship in the shotput for the second year in succession.

Pat Haley, Cougar speedster, racked up good records in all three of his favorite events: the 100-yard dash, 220-yard dash, and the 220-yard low hurdles.

Scott Witt did some fine high jumping in his first year of conference participation.

Pete McRae flew through the air 22 feet 5¾ inches in the ND broadjump meet and missed winning the event by a scant two inches.

Curt Bowers, a newcomer, showed great promise as a middle distance ace.

Dick Rantz, junior, was an all-around point-getter for the Cougars.

Max Dodge, a husky footballer who scored several firsts in conference meets and placed in the ND meet at Seattle, in the discus.

Bill Zimmerman, junior, was a triple duty man who garnered points for WSC in the broad jump, hurdles, and sprints.

Bill Forsman, junior, ran the half-mile and the mile runs. A beautiful runner, he turned in some excellent times during the year.

Ron Pozzie, sophomore, was high bar man for State and one of the best vaulters in the Northwest.

THE SEASON

Handicapped by the loss of veteran pitcher, Billy Sewell, because of eligibility, Cougar hopes for a conference baseball pennant faded. Sewell, with Cliff Chambers and Glenn Hursey, would have given WSC the best mound corps in the league.

On their annual trip to the coast, the Cougars gathered only one win in six games, winning from the Oregon Ducks in the season opener, 2-0.

After this early-season slump, the Cougars made a late-season spurt to come within one game of first place. Three straight series victories over OSC, Washington and Idaho, boosted WSC into second place. The "game of the year" was the thrilling 10-inning 3-2 win over Washington.

In Pullman later in the season the story was different. Glenn Hursey and Cliff Chambers, pitching behind the timely hitting of Akins, Branigan, Dosskey, and O'Malley, killed Tubby Graves pennant hopes, 10 to 0 and 3 to 2.

Catcher George Davison is ready as this Vandal starts his slide

IDAHO SERIES

Washington State swept the four-game series with Idaho, adding much-needed games to the win column of the conference standings. Glenn Hursey opened the series with an 8 to 3 six-hit pitching job. On the following day a seven-run outburst in the sixth inning, coupled with Chambers' seven-hit pitching brought Buck's outfit an 11 to 3 win.

The conference season was closed with WSC taking a double-header from the Vandals. The Idaho pitching staff tightened up in these games and Hursey and Chambers squeaked with five-hit pitching to win 4 to 1 and 4 to 3.

PRE-SEASON GAMES

Winning thirteen out of their seventeen preseason baseball games, Buck Bailey's diamond men gave the other Northern Division teams a hint that they were definitely in the title race for the coming season.

In their first series with Whitman, the Cougars dropped three of the five-game series, but in their return series on the Pullman diamond the locals copped all of the four games.

The Cougars broke even in the annual two-game series with the Spokane Indians of the Western International League. The Staters also won series with the College of Idaho, Erb Hardware of Lewiston, and Lewiston Normal.

BASEBALL LETTERMEN

Chuck Dosskey led the Cougars to second place in the Northern Division Conference this year and won a place on the all-Conference team.

Cam Daggett, noted for his speed on the bases, was the sparkplug of the infield at second base.

Tom Branigan, a former all-state semi-pro player, was best when the "chips were down."

Cliff Chambers was the Cougar's ace hurler. A master of the curve ball, he was one of the leading pitchers in the Northern Division.

Elvin Van Slyke, "Slugs," wound up three years of catching for the Cougars last season. A smart man at the plate.

Bob Dau played very effective defensive ball for the club in his outfield position.

George O'Malley broke his ankle early in the season, but recovered in time to drive in the winning run as pinch hitter in the second Washington game.

Roger Olson, relief pitcher, stepped in to stop many opposing team rallies.

George Dyson shared leading catching duties with George Davison most of the season.

Glen Hursey, a starting pitcher who turned in several fine mount performances.

Don Aries, rangy sophomore, come up with some good catches in right field, and was a potent hitter.

Al Akins, the fastest man on the team, covered a lot of territory in center field. His home runs did plenty of damage to opposing clubs.

George Davison, catcher, was consistent behind the plate and wieded a dangerous bat.

Gene Evans held down the hot corner, showed well for a first year man.

Gail Bishop, short stop, led the club in hitting in early season but hit a slump in mid-season.

Washington State-Idaho Matches

Minor Sports

STANDING: Coach Spiegelberg, Turner, Nichols, R. Haas, Allen, Melson, Dr.Bohm

KNEELING: Sleeth, Love, Watson, Knight, D. Haas, Mgr. Cleland

BOXING

Fred Spiegelberg and his Cougar boxers kept Washington State right at the top in national boxing competition, despite the fact there was only one returning letterman at the first of the season. Dave Knight, lightweight, carried off the national championship in his division, and Mike Melson, 155-pounder, placed second in the nationals. In dual competition the Cougar ringmen beat Fort Wright, won a match and lost one with Gonzaga, and tied a match and lost one with Idaho.

The Pacific Coast tournament was not held this year.

WRESTLING

Washington State had what was considered the best intercollegiate wrestling team in the Northwest, although no regular Northern Division meet was held. The Cougars beat Idaho and Washington in a triangular meet that served as a Northern Division meet, although it was not official. Walt Rohde, Leighton Wallace, and Don Bennett were sure bets in all of the dual meets with Idaho and Washington.

Other letter winners were Henry Brown, Chet Gisselburg, Rymo Tamino, and Alex Ryncarz.

STANDING: Coach Neilson, Johnson, Brown, Rhode, Ward, Cool, Bennett

SEATED: Tanino, McCallum, Gisselberg, Wallace, Honsinger, Ryncarz

STANDING: Guitteau, Klein, Simonton

KNEELING: Drennan, Miller, Winter

TENNIS

Climaxing a successful season, the 1942 Washington State tennis team placed second to Washington in the Northern Division meet.

Merwin Miller retained his singles title, defeating the Huskies' Bob Odman again, 6-4, 4-6, 6-3, and 10-8. Miller's steady defensive game was the deciding factor.

In other meets, during the season, the Cougars trounced Idaho twice, 8-1 and 6-1, Eastern Washington College, 5-2, and Whitman, 4-3, losing to Washington, 7-0, Oregon, 4-3, and Oregon State, 4-3.

GOLF

The WSC varsity golf team placed fourth in the 1942 Northern Division golf championships. Ray Dinsmore carded the best score for the Cougars—154 for 36 holes—followed by John Flynn, Joe Thomas, and Les O'Shea.

In dual meets, Idaho was defeated twice, Oregon State once, although Washington tripped the Cougars once.

STANDING: DeVleming, Morrison, Butler, Bacon, Willett, Worrell, Rhors, Sorenson, Doughry.

SEATED: Peterson, Graybill, Ritter, Templin, Bothel, Campbell, Dodge, Mgr. Johnson.

SWIMMING

Cougar aquatic performers splashed to third place in the annual Northern Division meet this year, trailing Washington and Oregon. Dodge, Worrell, and Willett, State divers, took second, third, and fourth in diving.

During the season the Cougare won a dual meet with Idaho, 54 to 12, and lost meets to Washington and Oregon. Letter winners were: Palmer Baken, Cornelius Butler, Dean Daugherty, Ed Willett, Jim Bothel, Dick Dodge, and Al Worrell.

FENCING

Washington State beat its only fencing rival in the Northern Division, the University of Washington, 8 to 1, in a dual meet at Pullman. This was the second time in two years that the Cougars have beaten the Huskies, who had previously held the championship 15 years. Lettermen are Henry Burke, Rolla Sexauer, Ed Rice, Bill Clark, and Ken Baldwin.

Sexauer, Clark, Baldwin, Rice

MacKintosh, N. LaVigne, Kerns

SKIING

Handicapped by transportation difficulties, the Washington State ski team was able to practice little and had a hard time getting in shape for meets. They dropped a close meet to the University of Washington at Mount Spokane, although Norman LaVigne won the slalom and Gordon LaVigne took the downhill race.

Letter winners were Don Kerns, Rod MacKintosh, and Gordon LaVigne.

RIFLE

The Washington State rifle team shot the highest score in the Ninth Service Command in competition for the Hearst Trophy and the National championship. Earlier in the year, the Cougar sharpshooters ran their total of Postal Matches victories over other ROTC units to 126 out of 128 in the last three years. Famed for its outstanding marksmen, the Washington State ROTC unit took second in the National competition last year and the results for this year won't be disclosed until later.

Letter winners are: Warren Styner, W. R. Goodman, Jim Stonecipher, Ed Abbott, Bill Johnson, Bill Kratzer, Omar Nyhus, Frank Mason, Lorin Stewart, and Vic Hyslop.

FOOTBALL

Washington State fielded one of its most powerful freshmen squads in years, under the tutelage of former Cougar end, Fred Spiegelberg. Big running backs and accurate passing gave the frosh a big 27 to 6 win over the University of Washington frosh on Rogers Field.

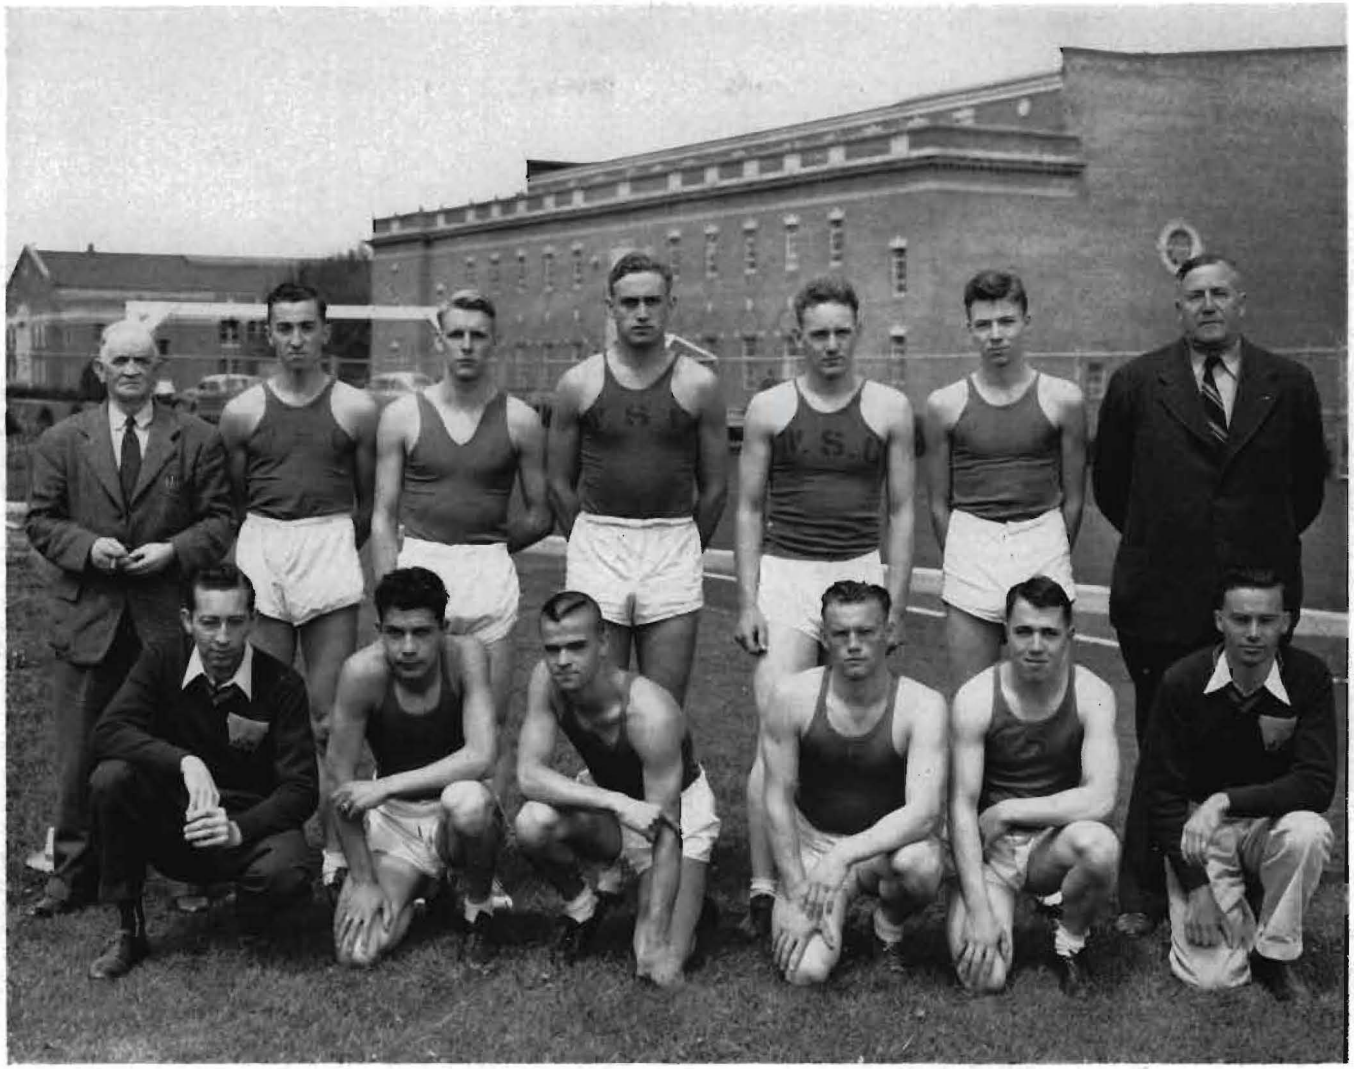
The frosh chalked up another win over the Idaho frosh in a rough game at Moscow, but stumbled over Eastern Washington, and lost 7 to 0, in a muddy game on Rogers Field.

Numeral winners were Don Adams, Hal Akins, Jack Barnes, Gordon Batchelor, Don Belander, Darrel Borg, Ben Clifford, John Collins, Tom Collins, Gerald Conradi, Ken Espeseth, Stewart Furgeson, Dick Good, Don Hollingbery, Jack Jones, Bill Keaton, Don Lee, Will Linscott, Bronson Lewis, Rolly McNair, John Peterson, Roy Ramsauer, Robert Rottle, Dean Rumburg, Roy Sloan, and Bud Wheat.

BASEBALL

Co-coaches Kirk Gebert and Ray Sundquist had a tough time keeping a smooth running first lineup on the floor this year as the army called players as fast as they got them. The yearlings lost out in the Idaho series, winning one out of four games. They won a game and lost one against Eastern Washington J. V. and beat Nazarene College.

Numeral winners were Jim Whiteside, John Strader, Ward Rockey, Gene Moos, Don Millikan, George Klemz, Vern Hooper, Don Hollingbery, Herb Hadley, John Gorham, Alvin Blendheim, and Hal Akins.

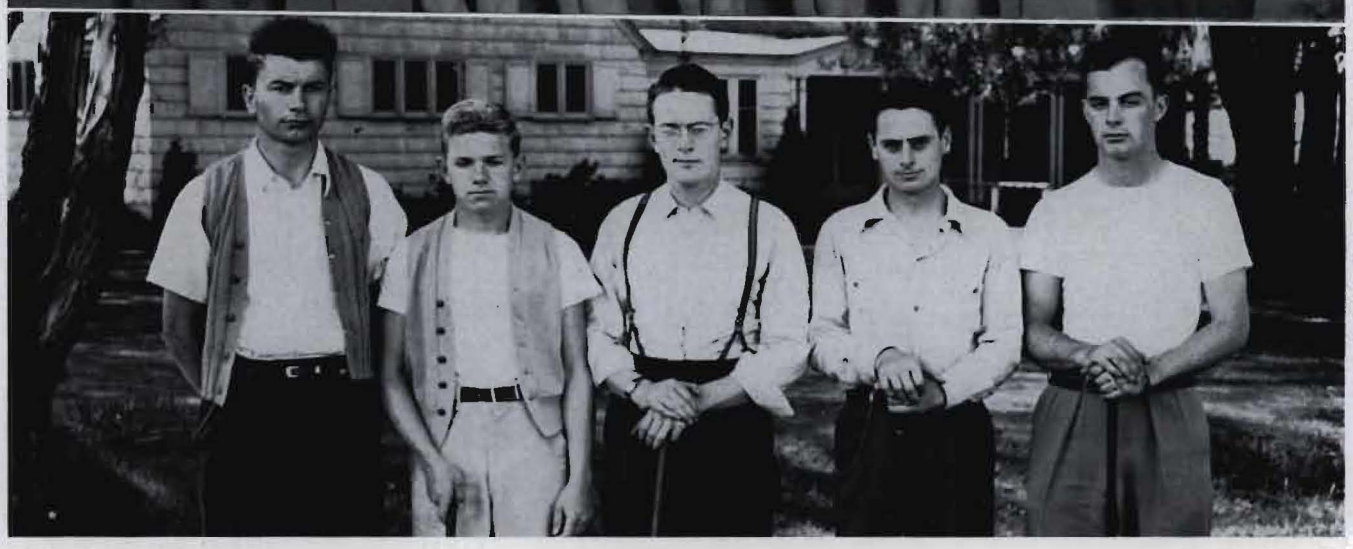


STANDING: Coach Ellington, Bergevin, Meenk, Long, Keniston, Soper, Dr. Bohm. KNEELING: Mgr. McCarroll, King, Helms, Mounger, Mgr. Welch

TRACK

Wonderful material and few track meets was the story of Bill Ellington's freshman thinclads last spring. Dick Keniston, state champion sprinter, turned in some of the finest times in the dashes that have ever been recorded on Rogers Field. Claro Bergevin, state quarter mile champion, was another great varsity prospect.

The freshmen beat Eastern Washington in their only meet of the year. Winning almost every event, they swept the meet by a large margin.



BOXING: Lilje, Mgr. Neill, Kloster, Lund, Bailey, Bergen, Moon, Coach Spiegelberg, Dr. Bohm
GOLF: Thamas, Garner, Schueler, Keegan, Garrett

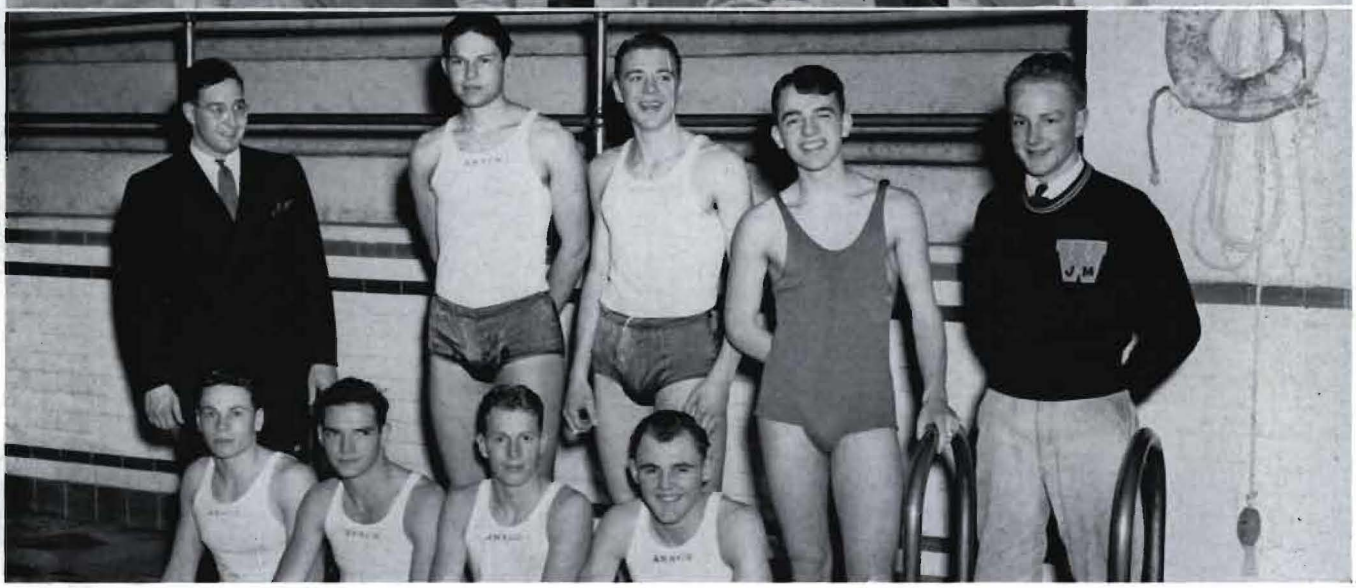
BOXING

Freshmen were allowed to participate on the varsity boxing team this year, so Washington State had no freshman boxing team. First year boxers fought on the junior boxing squad and filled in the first team lineup whenever there was a vacancy.

Varsity letter winners were Ralph Haas, Dave Knight, Coy Love, Mike Melson, Max Nichols, Charles Sleeth, Fred Turner, and Doug Allen.

GOLF

The freshman golf team was limited ot two meets with Idaho, but that was enough for them to show wonderful promise. The Cougar Babes beat the Vandals badly in booth meetings. Jim Garner carded individual honors with scores of 73.



FRESHMAN TENNIS, TOP—STANDING: Coach Miller, Monrae, Pyne, Wright, Mgr. Drennan. KNEELING: Styner, Brasch, Harvey
FRESHMAN SWIMMING, BOTTOM—STANDING: Coach Gibb, Peterson, Butler, Sorenson. SEATED: Morrison, Ritter, Campbell, Rhors

TENNIS

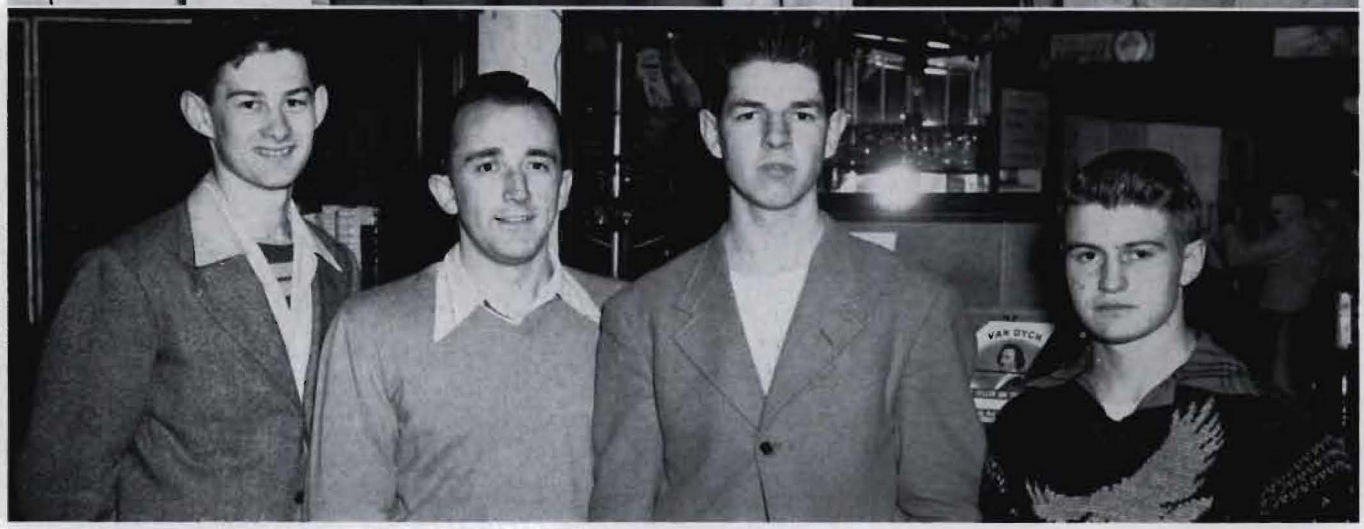
Freshman swimmers were eligible to compete with the varsity under the new conference ruling, and an exceptionally strong group of yearlings added much strength to the varsity outfit. Morrison, Campbell, Peterson, Ritter, and Rhors all showed promise of becoming mainstays in future varsity swimming outfits.

SWIMMING

The freshman netsters lost their only meet of the season, dropping a four to three decision to Lewis and Clark High School of Spokane.

Jack Harvey won his match for the Babes, but the prepsters clinched the meet with a win in the final doubles match. Others who participated for the frosh were: Brasch, Styner, Pyne, and Siewertsen.

INTRAMURALS



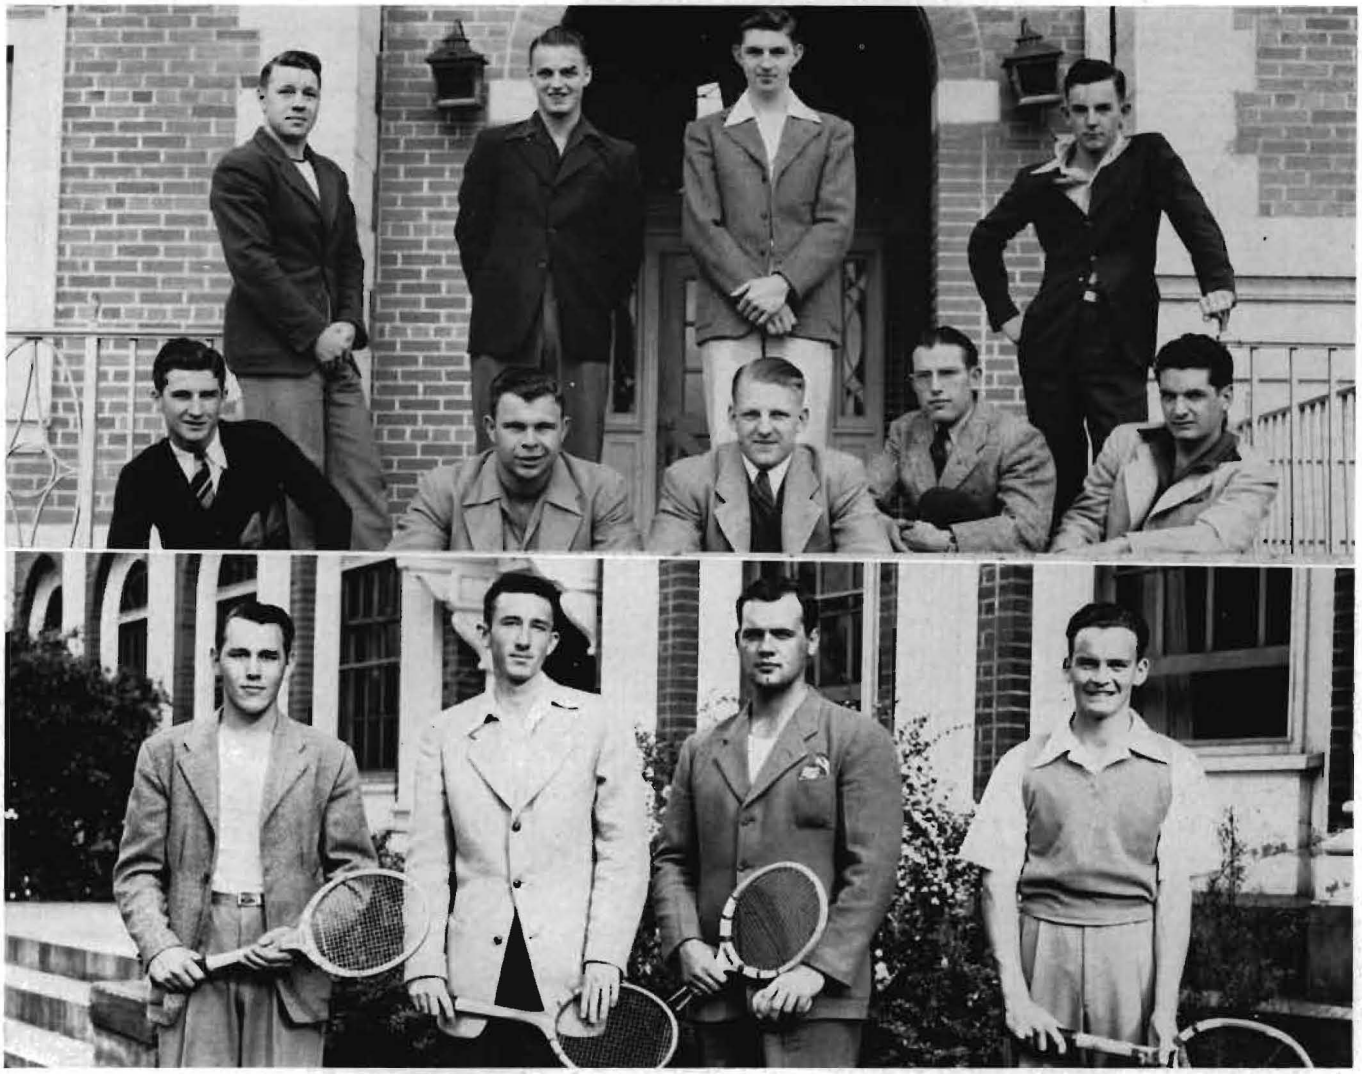
BASKETBALL, TOP: Schuster, C. Berg quist, E. Bergquist, Bird, Wilhelm, Aasen
BOXING, BOTTOM: Gibb, Clifford, Hunter, Bryant

BASKETBALL

The intramural basketball championship went to ATO for the third year in a row. Al Bergquist, former WSC frosh player, paced the way in the championship game against Pine Manor. The basketball race was nip and tuck the whole season with every game a close one. Any team that wins the title is certain to be a classy outfit.

BOXING

Led by Fritz Hunter, 155-pound middleweight who got the only knockout of the tournament, Walter Hall won the intramural boxing title. The Lambda Chi team ran a close sec ond, but the Waller men had too many scrappers in their group.



BASEBALL, TOP—STANDING: Kifer, Dibble, Kahler, Coma. SEATED: Love, Siegle, Hattrick, Abbott, Van Hoosen
TENNIS, BOTTOM: Nansen, Newsom, Folta, Knox

INTRAMURAL SOFTBALL

In a thrilling game with Stimson Hall for the championship, Waller Hall came through with a win and the baseball trophy. "Smoke" Stover, windmill-style pitcher, allowed only a few hits all season, and had an excellent infield to back him up.

INTRAMURAL TENNIS

Stimson Hall produced a top tennis team from its horde of men, and ran off with the tennis title. The championship play-off was against Ferry Hall, which outfit was soundly trounced by the Stimson players.

FOOTBALL

Waller Hall fielded the best football team in the league last fall and had very little trouble walking away with the intramural football trophy. Always the roughest and most popular intramural sport, it is a long tough fight for any team that wins. Waller had a big fast team and placed several men on the all-intramural team.

AT LEFT, STANDING: Love, Abbott, Seversen, Pistorese, DuBois. SEATED: Maderious, Wallace, Rankin, Seigle

VOLLEYBALL

IMA organized its usual top-flight volleyball aggregation and swept through intramural competition easily. With Vinc Pfaff spiking the set-ups viciously, and the rest of the team playing a good defensive game, the IMA squad was unbeatable. Volleyball is one of the favorite winter indoor games.

AT LEFT, STANDING: Pfaaf, Burke, Brickert. SEATED: Stellingwerf, Taylor, Omdal

GOLF

Sigma Nu club-carriers captured the intramural golf title in a close play-off against Kappa Sigma. This was the last intramural sport last spring and does not count in the intramural race this year.

The Women's Recreation Association is the governing group of women's athletics at Washington State. The WRA council is the advisory body of the organization and its members are the presidents of the activity clubs and the WRA officers. Big achievement of the WRA this year has been the operation of the popular co-recreations for the Air Force men on the campus.

ARCHERY

The girls in the Archery Club practiced long and hard, and thereby shooting with convincing accuracy they made a creditable showing in the Olympic Bowman Tournament, and in the Winter Intercollegiate Archery meet.

BADMINTON

Badminton is right at the top of sport interest among women. The Badminton club furthers the interest in the game as a recreational sport, and gives members an opportunity for improving their game. A tournament within the club was held during the year as a special feature and to hold interest of the members.

DO-SI-DO

A new club organized this year, Do-Si-Do is fast becoming a favorite of dance-minded girls. The club's purpose is to develop interest in country dancing among the college students. Miss Helen G. Smith is the advisor.

TENNIS

Tennis Club members take to the courts as soon as the Pullman snows have melted. This organization exists not only to promote technical skill, but also to promote the sense of good sportsmanship.

QUEEN'S GUARD

The gathering into one group of the girls skilled in fencing is the purpose of the Queen's Guard. This enables more equal matching of members in bouts.

ORCHESIS

Orchesis is one of the more popular of the WRA sport organizations. The purpose of Orchesis is to develop a creative and intellectual attitude toward dancing as one of the arts; to correlate the beauty of all artistic expression with the dance; and to further the movement of the dance as an educational activity. Meetings are held throughout the year climaxed by a dance recital given in the spring.

CRIMSON W

Crimson W is a service organization for girls who have actively participated in sports and thus earned a Crimson W sweater. Girls in the club act as ushers for entertainments sponsored by WRA, as guides during conventions, and perform many other services. A total of 800 points from participation in WRA clubs is necessary before a sweater is earned.

SPORTS CLUB

The Sports Club provides wholesome, stimulating, seasonal activities in which college girls are interested. Basketball, hockey, volleyball, and softball are all offered in the athletic program under the supervision of this group. Interclass and intramural play form the competitive program which is under the leadership of Sports Club managers.

Throughout the world . . . in army camps . . . at naval stations . . . on the fighting fronts . . . wherever you find the boys who are winning this war, you'll find the yearbooks of their respective schools, treasured keepsakes of a happier day.

We at WESTERN are proud of the part we have played in helping these boys perpetuate their school-day memories and our sincere wish is that we may continue to serve their Alma Maters during this historic period and in the brighter days ahead.

We salute our boys on the fighting fronts! We are happy to have played a small part in giving them respite from their more arduous duties.

AMERICANS

LET every man honor and love the land of his birth and the race from which he springs and keep their memory green. It is a pious and honorable duty. BUT let us have done with British-Americans and Irish-Americans and German-Americans. If a man is going to be an American at all let him be so without any qualifying adjectives and if he is going to be something else, let him drop the word American from his personal description. —*Henry Cabot Lodge*
